The Tri-City Note

SUPPORTER NEWSLETTER / OCTOBER 2026 / ISSUE 01

More than music. Room to grow.

Dear friends of Tri-City,

Thank you for believing in young musicians. At Tri-City Youth Jazz Ensemble, we bring music education, mentorship, and wellness together so young people have a place to practice, connect, and grow.

MUSIC IS HEALING

Our work reaches beyond the notes. Learning to listen, finding the courage to try, and making music together are opportunities to build confidence and connection. Your encouragement helps make that work possible.

BE PART OF THE NEXT CHAPTER

Help us sustain instruction and mentorship, put instruments and sheet music within reach, and support meaningful experiences for youth. Give, volunteer, introduce a potential partner, or share TCYJE with a family who wants to learn more.

MEET WITH THE ENSEMBLE

Tuesdays at 5 PM - Second Story, Columbus, Georgia

Wednesdays at 4 PM - Body of Christ Church International, Phenix City, Alabama

Contact us before your first visit for participation details and schedule updates.
